This Basic Course of instruction is designed for any law enforcement personnel who will be assigned to investigate death scenes, gather, interpret and handle evidence, and testify on the basis of the investigation.

NOTE: This course satisfies the legal mandates for Coroner's Basic Training.

The course curriculum will include the following:

- Death scene investigation techniques
- Determination of time of death
- Sharp/blunt injuries
- Gunshot injuries
- Asphyxia
- Identification of the dead
- Autopsy
- Child abuse deaths
- Courtroom testimony

Working legal, medical, and law enforcement experts with extensive experience and knowledge in these areas will teach this course.
