Chapter 1: Naloxone Policy and Reporting

**Effective Date:** 03/20/2018 to Current

**Rule Type:** Current Rules & Regulations

**Reference Number:** 048.0072.1.03202018

## Chapter 1

### Naloxone Policy and Reporting

#### **Section 1. Authority.**

The Wyoming Department of Health (Department) promulgates these rules under the authority granted by Wyo. Stat. Ann. § 35-4-904(b).

#### **Section 2. Purpose & Applicability.**

These rules establish additional requirements for the drug overdose treatment policy that an entity prescribed an opiate antagonist by standing order is required to establish under Wyo. Stat. Ann. § 35-4-904(b). These rules also provide the required manner and form for reporting the administration of an opiate antagonist to the Department.

#### **Section 3. Treatment Policy.**

In addition to the requirements of Wyo. Stat. Ann. § 35-4-904(b)(i), the drug overdose treatment policy must include a procedure for the designation of individuals to receive training and instructional materials on how to safely store and handle an opiate antagonist and used medical material.

#### **Section 4. Reporting.**

(a) An entity prescribed an opiate antagonist by standing order shall report to the Department the administration of an opiate antagonist according to the following.

(i) The entity shall submit a complete Naloxone Report form to the Department, electronically or in another manner approved by the Department. The Naloxone Report form is available at [\[\[www.health.wyo.gov\]\]](http://www.health.wyo.gov).

(ii) A report must be submitted to the Department within 72 hours of the administration of the opiate antagonist.
