## **Active Shooter Threat Instructor Training Program**

The Active Shooter Threat Instructor Training Program (ASTITP) is designed to provide a field training agent or officer with high quality training and instilling the analytical knowledge, skills and aptitudes needed for the highest proficiency in this specialized field. The program takes active shooter threat tactics training to the next level by emphasizing leadership, teach backs, and adult learning as well as the traditional technical skills needed by field training officers and special agents. This program is an intensive training program that covers a variety of tactical subject matters to include individual and multiple officer response. This program is not designed to train specialty or SWAT team movement or tactics. In addition, this program focuses on the role of the field trainer and emphasizes evaluation skills and documentation requirements.
